

My Interview with actor Tony Denison

Darrell Fusaro (June 06, 2010)

Recently I was on the set with professional actor and Italian-American, Tony Denison.

Tony Denison is one of the Emmy nominated ensemble cast members of the hit show, "The Closer," which returns for another season this July 12, 9pm/8pm Central, on TNT. I asked him a few questions regarding his successful career as an actor for this video segment of "Café Americano." In this interview he freely shares about his first time on stage and how insecure he was. So, if your heart's desire is to act, or begin any creative endeavor, then you will learn from Tony's experience that its never too late or too soon to get started.
